

Osseo Area Schools Student Wellness Advisory Committee

April 18, 2019

“The purpose is to provide accountability measures for policy implementation.”

What areas/questions belong to this committee to provide input/ideas/recommendations?

How do we support and inspire site leaders?	Communication plan	Training: -for site leaders -for staff
How do instill passion and will?	Share success stories	New teacher and staff training
Establish accountability	Connection of SEL to physical nutrition	Identify what culturally relevant or responsiveness is
		Building wide training-same page building procedures
