In the event school is cancelled due to inclement weather or other emergency situations, employees will be paid for up to three (3) days, per school year, for their normal work assignment. This provision will apply for full days only when school has been cancelled prior to the opening of the normal school day.

The superintendent reserves the right to require that employees report to work for any school closing. Employees will receive their normal compensation for that day and no additional compensation.

In the event an employee was scheduled to take a single sick day, personal leave day, bereavement day or vacation day that coincides with an emergency school closing day the employee will not be charged for their scheduled sick day, personal leave day, bereavement day or vacation day. If the employee was scheduled to take a series (2 or more) of connected sick days, personal leave days, bereavement leave days or vacation days and one of those connected days falls on the emergency school closing day, the employee will be charged for the day(s) that coincides with the emergency school closing day(s).

Section 11. Placement on Schedule: Employees will be placed on the schedule as determined by the requirements of the job and the discretion of Human Resources. Employees hired after March 30th will not be eligible for a step movement until July 1st of the following year.

Section 12. Probationary Period:

Subd. 1. New employees in Class I, II, III, IV, V, VI in this unit will be considered probationary employees until they have completed one (1) year of continuous employment.

Subd. 2. New employees in Class A or B, will be considered probationary until June 30th, provided they have worked 90 days from their hire date to June 30th. Working days shall include days worked, vacation, sick leave, paid holidays, and personal leave. If a school year ends prior to a probationary employee serving at least ninety (90) working days, such employee shall be on probation for the following school year, ending June 30.

Subd. 3. During the probationary period, all new employees may be dismissed at any time it becomes apparent to the administration that the employee is not willing or qualified to perform the duties of his/her position. During this time, they have no seniority privileges and may be transferred, discharged or laid off. Upon completion of the probationary period, the employee will establish regular employee status unless otherwise notified in writing by the employer prior to that date. Probationary employees will be evaluated by their immediate supervisor.

Section 13. Seniority/Job Elimination For Class I, II, III, IV, V, VI:

Subd. 1. Effective July 1, 2017, an employee that is on a performance improvement plan may not displace another employee, subject to the following conditions:

1. Through the meet and confer process, it has been agreed that the employee performance improvement process has been followed.
2. That the employee was placed on a performance improvement plan by December 1st, which outlines a plan for professional growth and support.

In the event of job elimination or layoff, an employee not on a performance improvement plan as outlined above, will have the right to accept layoff or, if qualified, choose to displace the least senior employee in the same job title. If the position eliminated is a single incumbent, or if the person serving in the eliminated position is the least senior in the job title, the employee will have the right to accept layoff or, if qualified and senior, choose to displace the least senior employee in the same classification with like employment status. If there are no employees in the same classification with like status, the employee may displace the least senior employee in a lower classification with like status. If there is no

person less senior with like status, the employee may displace the least senior employee in the same classification of lower employment status. If the employee is on a performance improvement plan, they will be terminated.

The displaced person will then have the right to accept layoff or to use the above procedure to find a position. The process will continue until no more jobs are available or until employee accepts layoff.

Employment status increases the length of an employee's work year. In determining like status, 219 work days will not be viewed as equal to 260 work days.

In all cases of displacement, the remaining employees must be more senior and qualified, as determined by the employer, to perform the duties of the new position assumed.

Full-time employees may bump full-time or part-time employees with less seniority, but part-time employees may not bump full-time employees.

An employee who assumes a new position as a result of the bumping procedure assumes the wage schedule which applies to the new position.

If the employee wishes to exercise bumping rights, the employee must provide written notice to Human Resources within three (3) working days of the notice of layoff stating their intent to exercise bumping rights.

Subd. 2. For a period of two (2) years from the date of layoff, if any opening occurs in the School District, the laid off or bumped employee who is most qualified as determined by the District will be recalled if the position is at or lower than the employee's previous pay class and if the employee is qualified for the position. If the employee fails to report to work upon two (2) weeks notice of recall, this will cause the employee to lose all recall rights.

Subd. 3. For purposes of this section, an employee who suffers a reduction in hours which results in loss of eligibility for benefits (insurance or holiday/vacation) will be considered as having suffered a job elimination and will be entitled to exercise displacement rights as outlined above.

Subd. 4. Seniority List: Seniority starts with the first day of work for the School District in this unit. If the starting date is the same, seniority will be determined by the affected employees drawing random lots. No determination of seniority by random method need be done until such time as relative seniority becomes a relevant issue. A seniority list will be posted each year during the month of October.

Subd. 5. Loss of Seniority: An employee who is properly discharged or resigns, or who has been laid off for a period of twenty-four (24) months without being recalled, or who fails to report to work upon two (2) weeks notice of recall, will forfeit all seniority rights.

Section 14: Job Elimination for Class A and B: Employees in Class A and B in the event of job elimination requiring layoff, employee(s) terminated will be at the discretion of the program supervisor based on performance and programmatic needs of the system.

Section 15. Retirement Savings Plans: In accordance with Section 403b of the Internal Revenue Code, the School Board will match the contribution of an eligible employee according to the following schedules towards an approved 403b retirement savings plan. The plan must meet the School District’s guidelines for approval. These contributions shall be paid in equal increments in accordance with the payroll schedule and as described in Subd. 1 of this Section.

Subd. 1. District Annual Match – Effective July 1, 2014: The School District’s match of an eligible employee’s contribution will be the amount listed below:

*Employees may choose to defer more than the District annual match amount. Federal law determines the maximum amount an individual can contribute annually.

Section 16. Retirement Incentive Pay:

Subd. 1. Eligibility: Class I, II, III, IV, V, VI, employees who have completed at least fifteen (15) years of continuous employment service, in any capacity with the School District, and who are at least fifty (50) years of age will be eligible for retirement incentive pay pursuant to the provisions of this section upon submission of a written resignation accepted by the School District.

Subd. 2. Exclusion: This Section will apply only to employees whose service has been full-time as defined by these terms and conditions of employment and whose service began prior to July 1, 1998. For employees whose employment began after this date, the provisions of this section will not be applicable.

Subd. 3. Calculation of Benefit: An employee will be eligible to receive as incentive pay, upon his/her retirement, the amount obtained by multiplying sixty percent (60%) of his/her unused number of sick leave days, but in any event not to exceed ninety (90) days times his/her daily rate of pay.

Subd. 4. Determination of Daily Rate: In applying these provisions, an employee's daily rate of pay will be the basic daily rate at the time of retirement, as provided in the basic salary schedule for the basic school year, and will not include any additional compensation.

Subd. 5. Payment Schedule 50-54: Employees who retire at age fifty to fifty-four (50-54) will not receive the incentive pay until July 20th of the year after they reach age fifty-five (55). An employee who retires at age fifty to fifty-four (50-54) will receive their incentive pay on July 20th if their birth date is between January 1st and June 30th in the year they reach fifty-five (55). If their birth date is between July 1st and December 31st, they will receive their incentive pay on January 20th of the following year.

Subd. 6. Payment Schedule 55 and Over: Incentive pay will be paid by the School District in a lump sum at the time of retirement or in annual installments over a time period not to exceed five (5) years from the effective date of the retirement at the employee's option. Incentive pay for retirement at or after age fifty-five (55) will be paid by the School District on July 20th of the same year if the retirement date is between January 1st and June 30th. If the retirement date is between July 1st and December 31st, it will require payment on January 20th of the following year.

Subd. 7. Exceptions: Incentive pay will not be granted to any employee who is discharged by the School District.
